

## Program

### Day 1: Technology Workshops

1. Gasification: Latest Technology Improvements
2. Methanol Route for Producing Ultra-low Sulfur Gasoline
3. Other Carbon To X Processes
4. New Innovative Technologies

### Day 2: Strategy, Operations and Projects

1. Analysis by Keynote Speakers
2. Policies & Economics
3. Operations, Projects and Economics (session 1)
4. Environment: CO2 Mitigation, Water Saving and Re-use

### Day 3: Environment & Roundtable

1. Operations, Projects and Economics (session 2)
2. Roundtable: New Key Factors for Success
3. 2017 World CTX Award Presentation Ceremony

### Day 4 (March 31): Industry Tour

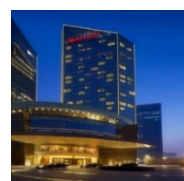

Visit to Shenhua Ningxia CTL Plant (started in December 2016)

Benjamin Sporton  
Chief Executive  
World Coal Association

Dr. Eiichi Harada  
Executive & General Manager  
Hydrogen Project Devt Center  
Kawasaki Heavy Industries

Beijing Marriott Hotel Northeast

Shenhua Ningxia CTL Plant

## Organizers

## Advisory Board

**Zhang Yuzhuo**  
Chairman  
Shenhua  
China

**Rudi Heydenrich**  
Senior Vice President,  
Research & Technology  
Sasol  
South Africa

**Xiang Wenwu**  
President  
Sinopec Engineering  
Group  
China

**Patrick Forkin**  
Vice President, Strategic  
& Global Energy Analytics  
Peabody Energy  
USA

**Jona Pillay**  
Executive Director,  
Gasification and CTL  
Jindal Steel & Power  
India

**Benjamin Sporton**  
Chief Executive  
World Coal Association  
United Kingdom

**Christopher Hagedorn**  
Partner, Electric Power &  
Natural Gas Practice  
McKinsey & Company  
USA

**Patrick Hartley**  
Research Theme Leader,  
Oil, Gas & Fuels  
CSIRO Energy Flagship  
Australia

## Organizing Committee

**Serge Périneau**  
President  
World Coal To X  
France

**Xia Lei**  
Managing Director  
Asiachem Consulting  
China

**Li Wenhua**  
Director of R&D &  
Technology Marketing  
National Institute of Clean  
and Low-Carbon Energy  
China

**Lu Weimin**  
Secretary General  
Coal Chemical  
Professional Committee  
China
