

Program

Day 1: Technology Workshops

1. Gasification: Latest Technology Improvements
2. Syngas to Liquid Fuels and Other Products
3. Pyrolysis and other Carbon To X Processes
4. New Innovative Technologies

Day 2: Strategy, Operations and Projects

1. Analysis by Keynote Speakers
2. Economics and Operations & Projects (session 1)
3. Operations & Projects (session 2)
4. Environment: CO2 Mitigation, Water Saving and Re-use
5. 2018 World CTX Award Presentation Ceremony

Day 3 (April 19): Industry Tour

Visit to a CTX plant, to be determined

Dr. Partha P. Maitra
President, Strategies & Initiatives
Reliance Industries Limited, India
Keynote Speaker

Beijing Marriott Hotel Northeast

The Forbidden City

Organizers

Advisory Board

Zhang Jiming
Vice President
Shenhua Group
China

Rudi Heydenrich
Senior Vice President,
Research & Technology
Sasol
South Africa

Xiang Wenwu
President
Sinopec Engineering
Group
China

Patrick Forkin
Vice President, Strategic
& Global Energy Analytics
Peabody Energy
USA

Jona Pillay
Executive Director,
Gasification and CTL
Jindal Steel & Power
India

Benjamin Sporton
